Tuition Reimbursement Program

UofL Hospital and UofL James Graham Brown Cancer Center encourages and assists team members to further their education in ways that are mutually beneficial. The hospital provides training and development reimbursement opportunities (including certification preparation and exam fees) to encourage team members to maintain and/or upgrade job related skills to current or potential jobs.

Full and part-time exempt, as well as non-exempt employees are eligible to participate in the tuition reimbursement program after six consecutive months of employment. Courses and/or training development programs must be directly related to the team members' current or potential assignment to be considered eligible for reimbursement.
