Smart Square® is Getting a New Look!

Did you know you can access Smart Square from the home screen of your mobile device?

Just open Smart Square on your mobile browser to get started.

See the pictures below to help walk you through the steps for iPhone users.

- Step 1. Go to the menu on the bottom of the screen.
- Step 2. Select the share button (the one in the middle with a square and arrow)
- Step 3. Scroll to the right and find the “Add to Home Screen” button (A box with a plus sign)
- Step 4. Hit “Add” on the next screen

Now, tell all your coworkers and enjoy using Smart Square!
