

COVID-19 Symptomatic

Team member protocol if symptomatic

Experiencing signs/symptoms of COVID-19?

(Diarrhea, vomiting, fever, cough, congestion, headache, loss of tastes/smell, fatigue and/or shortness of breath)

DO NOT COME INTO WORK. Contact your supervisor and Employee Health. If symptoms begin while at work, notify your manager for instructions.

Email Employee Health at Employee.COVIDResponse@UofLHealth.org or call 502-217-1881 (8 a.m. - 4 p.m., Monday through Friday).

Positive < < < **Test Results** > > > **Negative**

DO NOT COME INTO WORK.
You will be contacted by Employee Health regarding next steps.

Can return to work as scheduled if

- no fever (100 or >)
- no vomiting/diarrhea
- no persistent cough
- no severe upper respiratory infection
- no positive flu, strep test, etc.
